## DIET INDICATIONS

### ADORE LOYAL

Designed to be a unique, simple, and affordable diet that will provide your dog with everything they need and ... nothing they don't!

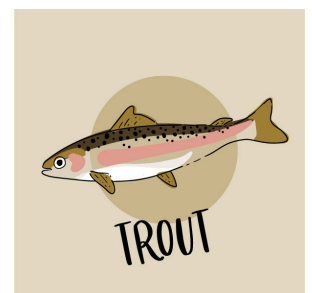

Made from trout, egg, oatmeal, and barley, ADORE LOYAL is a balanced, healthy, novel protein diet. Its unique ingredients help care for your sensitive dog. The precise amino acid blend in LOYAL will provide your dog with the building blocks for a better, stronger skin barrier. A strong skin barrier is your dog's number one defense against allergies. Generous levels of Omega 3 fatty acids (EPA and DHA) help decrease inflammation, contribute to a strong skin barrier, support kidney & heart health, and increase joint lubrication. Added prebiotics, from chicory root and yeast, feed the beneficial bacteria in your dog's gut, helping to promote a healthy digestive tract and strengthen their immune system.
